

This architectural floor plan depicts a three-story building with a total width of 1806 and a total height of 1806. The building is divided into three main sections by vertical walls, with a central section that is wider than the two side sections. The plan includes detailed dimensions for all walls, windows, and doors. The ground floor features a central entrance with a glass door and a side entrance with a glass door. The first and second floors have multiple windows, some of which are grouped together. The roof is shown with a series of small squares, likely representing skylights or ventilation units. The plan is oriented with the main entrance facing the bottom right.

Dimensions:

- Overall Width:** 1806
- Overall Height:** 1806
- Section Widths (from left to right):** 645, 894, 652
- Section Heights (from bottom to top):** 285, 1713, 1526

Ground Floor Details:

- Left Section:** 645 wide, 285 high. Features a large window on the left and a glass door on the right.
- Middle Section:** 894 wide, 285 high. Features a large window on the left, a glass door in the center, and a small window on the right.
- Right Section:** 652 wide, 285 high. Features a large window on the left, a glass door in the center, and a small window on the right.

First and Second Floors:

- Left Section:** 645 wide, 1526 high. Features a grid of windows, with a central vertical strip of windows.
- Middle Section:** 894 wide, 1526 high. Features a grid of windows, with a central vertical strip of windows.
- Right Section:** 652 wide, 1526 high. Features a grid of windows, with a central vertical strip of windows.

Roof Details:

- The roof is shown with a series of small squares, likely representing skylights or ventilation units.
- The roof is divided into three main sections, corresponding to the three main sections of the building.
